

Omaha, NE -

Today, Rep. Lee Terry (R-NE) released the following statement after President Barack Obama announced the U.S. will pull all of its troops from Iraq by the end of December. A small number of military personnel is expected to remain in U.S. diplomatic facilities.

**"The brave men and women who have served our nation over the past nine years deserve our thanks and our support. They toppled a murderous dictator and never backed down from a challenge. As our two nations move forward we should celebrate the job our troops have done – while never forgetting the sacrifice so many have paid," Terry said.**
